Saturday morning between 12 and 1 o'clock, a burglar entered the home of Oswald Winkler, east of Lexington, and took all the cash that could be found. Mrs. Winkler was semi-conscious when the burglar was in her room but very wisely gave no alarm until he had run down stairs. Mr. Winkler who was sleeping in another room with the baby, was not aroused although the burglar entered his room and took his trousers. A MOTHER'S PRAYER

Accompanying a check for the Democratic Campaign fund was this letter:

"Elizabeth, New Jersey.
"George White, Esq.,
"Chairman Democratic Nat. Com.
"Care of New York Times,
"New York City, N. Y.

"Dear Sir:

"Please accept the enclosed small contribution to the fund for dissemination of truth about the League of Nations. It is literally a 'widow's mite,' but it comes from a mother who sent four greatly needed sons to the World War. Two of those sons, with almost unlimited possibilities for future usefulness, were killed; a third was ill in hospital in France for five months, due to gassing in action, and is still classified as 'unfit,' and a fourth risked his precious young life in the air. When an honest and concerted effort is being made by the nations of the earth to save, if possible, future mothers and sons from these sacrifices, it is hard to realize there are those who oppose an effort. I feel sure that among those who paid for the war there can be but one opinion, and that is to try the League of Nations, even if it is not perfect. It is the best that has been proposed, and, all objections being weighed, is manifestly the most feasible. Please God it will not fail.

"Your very truly,
"MARIE A. DAVIDSON,
(Mrs. Edward Crawford Davidson)

How Convicted Senator Preserves G. O. P. Control.

Truman H. Newberry, convicted of violation of the statute limiting election expenditures, after a trial before a Republican Federal Judge and a jury of 10 Republicans and 2 Democrats, sentenced to pay a fine of \$10,000 and to serve two years at Leavenworth, retains his seat in the United States Senate, and no effort has been made to oust him.

Though he kept off the floor after his conviction, he continued to be the accredited representative of the State of Michigan. His vote was available for the Republican chieftains any time they needed it on a party division. With Newberry, the roll call stood 49 Republicans and 47 Democrats. Had Henry Ford been placed in the seat declared by the court to have been purchased for Newberry, the count would have stood 48 to 48, and the Democratic Vice President would have cast the deciding vote.

Senator Spencer of Missouri, candidate for re-election, is a member of the senate committee that should have investigated Newberry's election, but not a wheel has been turned; and that in the face of a resolution passed by the Senate, ordering the investigation.
